

## REMARKS

Claim 1 has been amended to include a SEQ ID number which was inadvertently omitted from Applicant's Response dated June 10, 2004. No new matter has been added. Hence, as the Examiner graciously acknowledged in the Office Communication mailed May 21, 2004, no substitute CRF or paper copy of the sequence listing need be submitted.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 220002054822. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
